

Dear FMNP Governing Board,

I support the nomination of _____ as an FMNP **Assistant** Instructor.

I understand that as this person’s Lead Instructor, I am responsible for mentoring this individual to ensure the program delivered is consistent with the content and objective philosophy of the FMNP. It is known that no Instructor is permitted to change the FMNP curriculum, including photographs and supplemental information.

I also understand that an Assistant Instructor **is not approved** to present the FMNP curricula, including PowerPoint Presentations and field trips, without my presence. As the Lead Instructor, I am responsible to establish the course’s scheduling. All financial transactions associated with this program must go through me.

I support the nomination of _____ as an FMNP **Associate** Instructor for the following FMNP courses:

- Coastal Systems
- Upland Systems
- Freshwater Systems
- Wildlife Monitoring
- Habitat Evaluation
- Environmental Interpretation
- Conservation Science

I understand that as this person’s Lead Instructor, I am responsible for mentoring this individual to ensure the program delivered is consistent with the content and objective philosophy of the FMNP. It is known that no Instructor is permitted to change the FMNP curriculum, including photographs and supplemental information.

I also understand that an Associate Instructor **is approved** to present the FMNP curricula, including PowerPoint Presentations and field trips, without my presence. However, as the Lead Instructor, I am responsible for the conduct, quality and content of the program delivered by the Associate Instructor and understand that the course’s scheduling and all financial transactions associated with this program must go through me.
